Way ahead

Strategic Geographic Growth:

BRG Infrastructure plans to thoughtfully expand beyond its current regions, targeting high-potential areas where it can deliver projects on time with high quality and optimal resource efficiency.

Strengthening Core Focus Roads & Highways:

As of June 2025, BRG has an order book of nearly Rs. 1423.00 Crore across roads, buildings, water, and toll projects, focusing on EPC and HAM contracts in current and new markets.

Deepening Client Partnerships:

BRG aims to build long-term relationships with government and institutional clients by delivering timely, high-quality projects that build trust and encourage repeat business.

Expanding into Emerging Sectors:

To strengthen its resilience, BRG is expanding into wastewater management and renewable energy, with a focus on wind power, and actively seeking new opportunities to drive growth.

Optimizing Project Execution & Bidding Plans:

BRG is upgrading execution with advanced technology, equipment, and IT, while investing in skilled staff and processes to improve quality and efficiency. Bidding will focus on EPC contracts above Rs. 100 Crores, TCC contracts between Rs. 100-200 Crores, and wastewater and water supply projects.

Elevating Brand Visibility:

To boost its market presence, BRG will launch dynamic brand-building efforts to enhance recognition and reinforce its reputation, while also exploring inorganic growth opportunities.
