BRG Infra Secures its first contract in the field of Construction of Underground Sewerage System Contract in Tamil Nadu under TNCRUDP.

Contract worth Rs. 102.05 Crore

Indore, Madhya Pradesh, 08th May, 2025 – B.R.Goyal Infrastructure Limited (“BRG Infra”), a prominent player engaged in the construction and development of infrastructure projects such as roads, highways, bridges and buildings, is pleased to announce that **the company has entered in the segment of Construction of Underground Sewerage System** and has been awarded a significant infrastructure development contract under the **Tamil Nadu Urban Development Project (TNCRUDP) – 2023–2024 Phase I**.

The project involves the **Construction of an underground sewerage system** for the left out and newly added areas in **Namakkal Municipality**, located in the state of Tamil Nadu. The contract, valued at **₹ 102.05 crore (including GST)**, has been awarded through **Kevadiya Construction Limited** and is slated for execution over a period of **24 months**.

This project reinforces BRG Infra’s growing footprint in urban infrastructure and its commitment to contributing to improved sanitation and public health infrastructure in India. BRG Infra continues to pursue strategic and impactful projects across India in sectors including EPC (roads and buildings), water infrastructure, residential development, and renewable energy, further solidifying its position as a trusted infrastructure partner nationwide.

Commenting on the contract win, Mr. Brij Kishore Goyal – Chairman & Managing Director, said:

*"We are proud to **share that the company has further diversified its line of business and entered in the new segment of infrastructure development of Construction of Underground Sewerage System** and has been entrusted with this critical infrastructure project under TNCRUDP Phase I. This contract aligns with our core capabilities in executing large-scale urban utility systems and reflects the confidence that clients and partners continue to place in BRG Infra.*

The project not only represents a significant financial milestone but also underscores our contribution toward improving urban sanitation standards in Namakkal Municipality. With a committed timeline of 24 months, we aim to deliver world-class execution while ensuring long-term sustainable impact for the residents of the region."
